

The Restaurant Challenge

VTT would like to **challenge** their supporters to arrange a meal at their local Bangladeshi Restaurant (many Indian restaurants also have Bangladeshi staff). Most restaurants prefer such meals to be on a midweek evening as it their quieter time and funds raised through one of the following options:-

- a) The restaurant donating profits from the evening to VTT based on number of meals taken or on tickets sold on a fixed date.
- b) The restaurant donating profits from an evening meal to VTT on a date of their choosing.
- c) The organiser arranging a set menu with the restaurant at a fixed price then selling tickets for the meal to produce a profit, plus holding a raffle or auction etc.

Publicity in advance of the event is important to gain the maximum benefit. The **ULTIMATE CHALLENGE** would be to organise an event to be held on the same date throughout the UK. VTT/CRP would gain massive publicity and, who knows, maybe an entry in the Guinness Book of Records.

Whatever the event, please ensure that you have information leaflets, newsletters, Gift Aid envelopes and/or Sponsorship Forms available, and even photographs and a video presentation for those taking part or attending. Information regarding these items may be obtained from the Administrator.

We like to keep our supporters informed of news and activities, preferably by email, so it is desirable to get full contact details including an email address. When donations are made, it would also be appreciated if the donor would agree to Gift Aid their donation, if possible, so that we can reclaim the appropriate amount of tax back, at no cost to the donor.
